**Re: Public Records Request Dated August 19, 2019**

Dear Mr. Martin

I am writing in response to your letter of August 19, 2019 in which you made a public records request to the New Middletown Village Police Department (the “Village”) for the following:

All records, including, but not limited to, photos, memos, reports and supplemental reports, related to the recent arrest of James Reardon Jr.

The Village has the following documents that are responsive to this request, and because the number of documents and pages is so small, we have been authorized to provide you with copies of those documents at no charge to you:

1. Ohio Uniform Incident Report dated August 16, 2019 (the name and the address of the person making the report to the Village Police Officers has been redacted);
2. Photo of suspect dated August 17, 2019.

The Village has no other public records that are responsive to your request. Any documents other than those identified above in the possession of the Village related to the recent arrest of James Reardon, Jr. have either been ordered sealed by the Struthers Municipal Court or are confidential law enforcement investigatory records. Documents which are confidential law enforcement investigatory records as defined by Ohio Revised Code §149.43(A)(2) are not public records pursuant to Ohio Revised Code §149.43(A)(1)(h).
